Dear Club President/Secretary,

Last year's inaugural **AUTO ITALIA ADELAIDE** exceeded all expectations and you may consider circularising your Members advising of this year's date and venue:

**AUTO ITALIA ADELAIDE 2013**  
**3rd November, 2013**  
**in the grounds of**  
**CAMPBELLTOWN SOCCER CLUB,**  
**Whites Lane, Newton, S.A.**

It would, of course, not have been possible to put on such an extensive display of Italian automotive and motor-cycle engineering and style without the enthusiastic participants and exhibitors.

Details of the event including an **on-line application form** are available on our web-site:

[www.autoitaliaadelaide.com](http://www.autoitaliaadelaide.com)

Last year's participants may spot their vehicle amongst the many excellent photos listed here.

We expect the turn-out this year to be even more comprehensive and, in anticipation, we have added more entertainment – there will be a bouncy castle for children – and enhanced catering offers. Space available is limited and early registration is strongly recommended.

As an added feature of **AUTO ITALIA ADELAIDE 2013** we will issue an **Event Catalogue** describing cars, motor-cycles, and scooters, including a photo, where available. This will serve as a guide book for visitors and will provide participants with a memento of the event. The deadline for inclusion into the Event Catalogue will be 31st August, 2013. Where Members of your Club require hard copy application forms, please request the required quantity.

We are looking forward to greeting you and your Members at the gate of

**AUTO ITALIA ADELAIDE 2013**

wishing you happy motoring till then.

Sincerely yours

Steering Committee

Auto Italia Adelaide 2013
