

ABOUT CMI

Club Motori Italia was formed in March 1995.

The club's main aims are:

- To promote interest in Italian cars
- To promote social interaction for members
- To enhance the image of Italian motor vehicles in general
- To encourage the participation of members in all forms of motorsport and to cooperate with similar clubs throughout Australia and the world

The club conducts a mix of social and motorsport events, including hill climbs, super sprints, social drives, dinners, cryptic rallies, show and shine car displays. The club is affiliated with Motorsport Australia so motorsport members are eligible to compete in motorsport events organised by other affiliated clubs.

The club is run by a volunteer organising committee which is elected each year and comprised of club members. The committee meets at the Hobart Civic Club, 134 Davey Street on the last Tuesday of each month from 6:30pm. New and existing members are warmly invited to come along and provide input which will help the club fulfil its aims and meet the needs of the members.
